Polling Times

From Friday 28th of February 2025 @ 10am until Thursday 6th of March 2025 @ 12noon.

IF YOU GET ELECTED...

There will be an opportunity to attend a residential Officers Training, paid for by the SU. This will either be held mid-May or early June 2025.

All candidates should try and keep these times free. Exact dates will be confirmed when the elected candidates have confirmed their availability.

Your term begins on 10th June 2025. Sabbatical Officers take up post on that date and are expected to be available to start their induction. We appreciate that for Part-time Officers availability over the summer will be limited so generally the start date for Part-time Officers will be the beginning of Semester 1 of 2025.
